

**CONTRACTOR JOB DESCRIPTION**

**Outpatient Psychotherapist**

Fee-for-service psychotherapist positions available in an Adult Outpatient Program, in a Community Mental Health Center located in Northeast Philadelphia.

Will provide individual, group and/or family therapy for a diverse caseload of mental health consumers. Will be responsible for completion of biopsychosocial evaluations, treatment plans and progress notes. Writing therapy notes, daily logs, center record keeping forms. Participation in regularly scheduled staff training programs as well as departmental meetings.

Requirements: LCSW, LSW, LPC or Licensed Psychologist required, plus experience providing outpatient therapy in a mental health setting. Knowledge of trauma centered care and recovery philosophy is desired. Must have own professional liability insurance. Social Work: 1 year (Preferred)

**Reimbursement Rates:**

\$48.00 per hour for direct care services  
\$53.50 per hour for family/couples' services  
\$12.00 per hour for client in a one-hour group

The Northeast Community Center for Behavioral Health is an Equal Opportunity Employer (EEO) and welcomes all to apply.
