

# Northeast Community Center for Behavioral Health

## Community Residential Rehabilitation Services

### **Job Title:** Residential Counselor

Residential Counselors at Maximum Care work with individuals with histories of major psychiatric disabilities and co-occurring disorders. These individuals, in the face of stigma, low self-esteem, and living with symptoms of their illnesses, also have histories of strength, resilience, and the ability to shape their lives in a positive way.

A residential counselor's job is to support those strengths by helping residents to move forward in their daily living and mental health recovery and in their growth towards independent community integration, supportive peer relationships, recovery planning and family inclusion.

### **Qualifications:**

A bachelor's degree in a behavioral health- related field or high school diploma plus four years relevant experience. Any combination of mental health experience or college work totaling four years is necessary. BA/BS preferred.

Full-time and part-time positions working with the chronically mentally ill population. Located in far the Northeast Philadelphia. We seek applicants who are responsible, detail-oriented, independent workers, and team players. Good writing, record keeping, and communication skills are a must.

Requirements: Benefits: An excellent benefits package includes health insurance, employer-paid life & disability insurance, vested pension in three years (no employee contribution required), paid sick, personal, and holiday leave, and four weeks' vacation time are offered in the first year of employment.

The Northeast Community Center for Behavioral Health is an Equal Opportunity Employer (EEO) and welcomes all to apply.
